

A Worthwhile Investment

The **Charity Golf Classic** has grown into the area's most sought after golf outing. And, this year's new venue of Kirtland CC presents a wonderful alternative to the standard avenues for charitable sponsorship activities.

This event provides sponsors with the opportunity to support, and attach their name to, a well-respected organization with a proven track record for helping children do better in school, avoid using drugs and alcohol, reducing their risk of engaging in violent behavior; and developing increased self-confidence and social skills. All of which gives them

a chance to have a brighter, more productive future.

We're asking for your help in

meeting our goal of providing each boy and girl who comes to us with their own Big Brother or Big Sister.

There are many levels of participation to choose from. There's sure to be one that's right for you.

Please consider this opportunity to Start Something that benefits **both** you and the children of our community.

Charity Golf Classic

Big Brothers Big Sisters is not your typical organization. We provide children with a positive friend and role model that helps them realize their potential and build their futures. Our programs are designed to nurture children and strengthen communities. **And we couldn't do any of it without your support.**

By supporting the Big Brothers Big Sisters Charity Golf Classic, you can Start Something in our community—more Bigs and Littles can be paired up, more friendships can be gained, and improved outlooks on life can be started.
